Rumor that Six Taft Men Have Broken for Colonel-President in Doubt.

The Rossvelt manuers gave out a statement last night claiming that six of the eighteen Tafi delegates from South Carolina have broken away from the President and declared for Mr. Hoosevelt. This is the first indication of the break in the President's strength in the Bouth. The Boosevelt people have contended that the Southern delegates who have been instructed for Tafi will desert him if it looks as if the pendulum was swinging toward another candidate.

#### Third Prize-Value \$500

These "hooklovers" who leve hooks ahead of all other affection, consider the third prise in this content as the first.

A library, selected by the highest authority in the leading book shop in the world, is a gift that those who worship at the literary shrines call "adorable," and one that whete the craving of those who are in the earlier stages of the thirst for higher knowledge.

Of course, the winner of this prize will have full opportunity to consult with the Brentano management in the interest of final amendment to suit his or her taste. As the selection stands now, most a volume that would injure the thinking of a twelve-year-old girl has been permitted. The library has an actual cash value of 1500, and will be exhibited at Brentane's. Twelfth and P Streets Narshwest.
